UNICORE

LAMINATES

Unicore is where you could feel the vibrancy of colours through & through. Unicore Laminates have the uniqueness of combined identical colors with core layered decorative surface.

Flaunt your desks, doors, counter-tops, drawers, display shelves, shutters and all furniture with stunning, beautiful & flawless Unicore surface that unifies the look all across. Unicore range is available in any solid colours, depending upon the order quantity.

In this process, decorative papers for surface layers are infused with treated melamine resins and same decorative papers are used as core layers that are infused with specially treated thermosetting melamine resin.
